Emory University Logo Guidelines

The identity system consists of the primary Emory University logos, school-level logos, and the logos for various Emory entities. These are available with or without the Emory shield logo.

- Official Emory University colors: Emory blue (PMS 280) and yellow (PMS 130 and PMS 871 metallic gold)
- Emory Athletics colors: Athletic blue (PMS 648), yellow (PMS 131), gray (PMS 428), and reverse white
- Emory Healthcare colors: Healthcare blue (PMS 288) and gray (PMS 423)

Note: There are three different blues—Emory University (PMS 280), Athletics (PMS 648), and Healthcare (PMS 288)

- School-level logo orientations include: horizontal (hz), square (sq), vertical (vt)
- School-level logos may have two or three orientations, i.e., Emory College or Arts and Sciences (two) and Goizueta Business School (three)
- A general rule for the clear zone around any Emory logo is that the space is no less than the width of the “M” in Emory, preferably more.
